HOW TO COME BY PUBLIC TRANSPORT

Train / metro:

Get out at Rotterdam Central Station. Walk out of the station through the main entrance and cross over the square outside the station. Next, cross the busy main street Weena and you are on the Kruisplein. The Hogeschool is located between The Manhattan Hotel Rotterdam and Concert and Conference Centre de Doelen; the light yellow colour of the building makes it easy recognise.

Bus / tram:

Get off at the Kruisplein stop or at Rotterdam Central Station.

HOW TO COME BY CAR

From the direction of Amsterdam and Den Haag

Take the A13 direction Rotterdam, A20 direction Dordrecht/Utrecht (Ring Oost), exit Rotterdam Centrum/Schiebroek/Hillegersberg. At the end of the exit follow the signs for Centrum (Schieweg/Schiekade). At Hofplein you turn onto Weena, in the direction of Central Station. The building at Kruisplein 26 is opposite the station.

From the direction of Utrecht

Take the A20 direction Den Haag/Hoek van Holland, exit Rotterdam Centrum/Schiebroek/Hillegersberg; at the end of the exit follow the signs for Centrum (Schieweg/Schiekade). Then continue as given above.

From the direction of Breda and Dordrecht

Take the right-hand lane on the A16 (follow Kralingen/Rotterdam Centrum). Drive over the Van Brienoordbrug, first exit (Rotterdam Centrum). At the end of the exit turn left off the roundabout onto Maasboulevard, direction Centrum. Follow the road (along de Boompjes) and at Hotel Inntell (on your right) you turn right onto Schiedamsdijk. Carry on to the crossing at Coolsingel-Westblaak. At this crossing go left onto Westblaak and at the Eendrachtspolein crossing, turn right onto Mauritsweg. Kruisplein is at the end of Mauritsweg.

PARKING POSSIBILITIES

The area immediately surrounding Codarts has paid parking. The following two covered car parks are close to Codarts.

Parkeergarage Schouwburgplein

(entrance on the north and the south sides of Schouwburgplein)

Parkeergarage Weena

(entrance on the Karel Doormanstraat)

Other possibilities for parking in the centre of the city are limited and costly. You can also take the option of parking your car on one of the approach roads on P&R and continue the journey by metro.
